

RAFFLES TOWN CLUB  
SINGAPORE

**[Updated 11 April 2020]**

### **Raffles Town Club Closure and Update**

Dear Members,

The Club hopes you and your loved ones are doing well, keeping safe and healthy!

We like to update all members in light of the latest government advisories to reduce COVID-19 transmission, all F&B outlets operations including takeaways are suspended by the Ministry of Trade and Industry with immediate effect on 11 April 2020.

We would like to thank you for your support and understanding. From 7 to 10 April 2020, all Club members that came to collect their takeaway items showed great patience and cooperation in accordance with the government's rules and regulation.

The Club is currently making an appeal to the Ministry of Trade and Industry to reconsider their decision and allow The Cafe & Terrace to continue to serve takeaway for our Club members.

We would like to thank you for your support and understanding. We recognise the inconvenience caused and that we all have to play our part to get through this together and emerge from this challenging time.
